

# 1.2.2 Uploading Files

This tutorial explains how to upload files to avenue so they are available to students in Content. It assumes you have created modules using **Tutorial 1.2.1**.

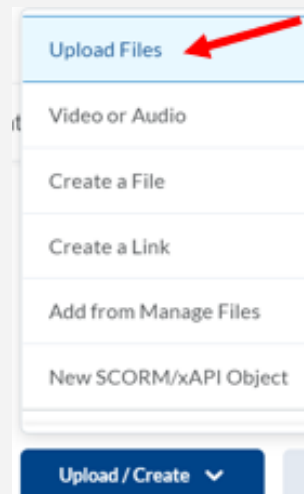

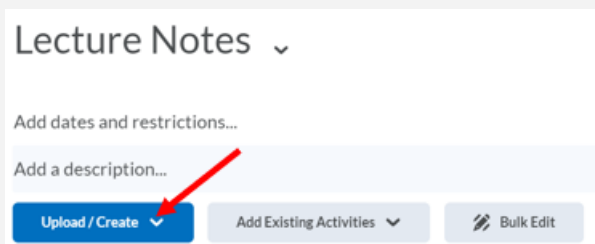

## STEP 1

Navigate to the **Content** tab from the Avenue homepage. Select the Module where you want your file to be located.

## STEP 2

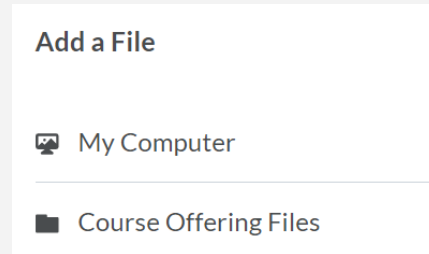

Select **Upload/Create** then select **Upload Files**.

## 1.2.2 Uploading Files

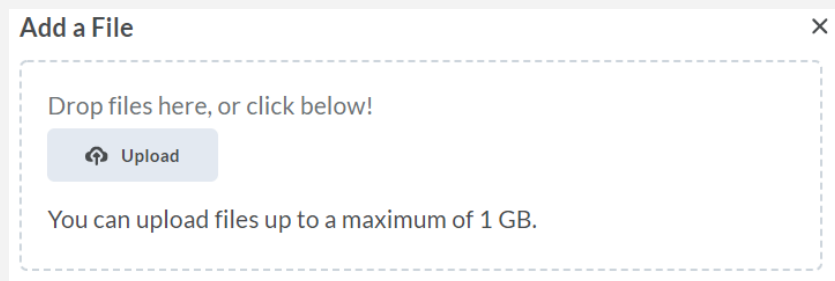

### STEP 3

Choose the source of your file, most likely My Computer.

### STEP 4

Drag and drop the file or select **Upload** and open your file.

### STEP 5

Select **Add** to upload to avenue
