

## 2.2.1 Creating a Team

This tutorial gives a quick glance at creating Teams

### STEP 1

Select **Teams** from the left bar

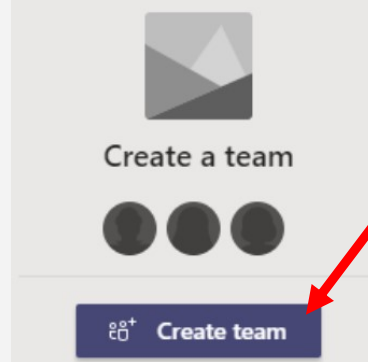

### STEP 2

Select **Join or create team**

Join or create team

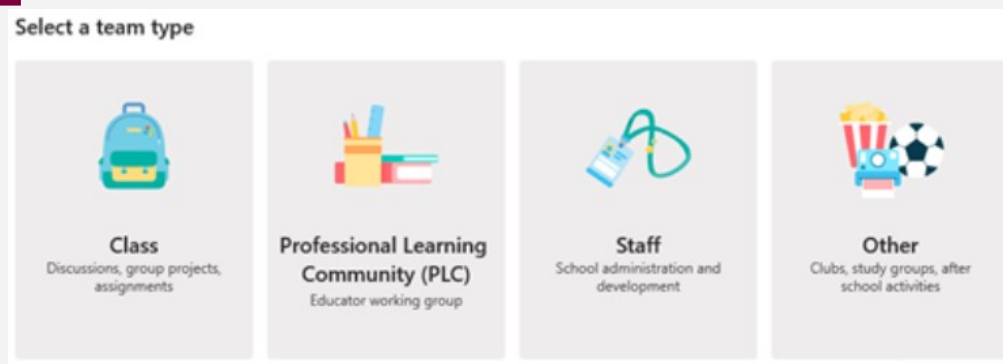

### STEP 3

Select **Create Team**

### STEP 4

For our purposes, we will be using a **Class** team

### STEP 4

Follow the prompts to complete the process. If it asks to add students, skip that process and go to **Tutorial 2.2.4**
